3 (gur sag+gál) minus 1 (barig)
emmer,

VS 14, 125

The debit of
3 gur sag+gál of barley,
3 (gur sag+gál)
minus 1 (barig) of
emmer,
did ubur,
the chancellor,
who had transferred the
barley to the
granary,
carry over to a tablet
of Lugal-pirigtur,
the sanga of the
“White Temple.”
He posted it to his
(Lugal-pirig’s) debit
account.
(Year:) 4

Calculation of the debits

Barley:	Emmer:
168 gur	98 gur
– 165 gur	– (95 gur 1 barig)
= 3 gur	= 3 gur–1 barig
